

MANGROVE FOREST EXPERIENCE 4 DAYS

Routes: HCM City

Duration: 4 Days / 3 Nights

Features: Vietnam has a unique and diverse environment; this trip takes you to experience one of Vietnam's most beautiful environments. The Mangrove forest is a great place to learn more about the diverse flora and fauna, and to experience farm-life and community activities. This tour is specifically designed for school groups / educational trips and groups of people who love nature.

Day 1: HCM City – Mangrove forest

Our guide picks you up at 7:30 AM at your hotel in HCM City. Reaching the mangrove forest in about 2.5 hours we then have a short introduction about its history and learn about the various types of flora and fauna of this beautiful environment. Walk around to learn more about how people live their life here in the mangroves.

Inclusion: Transfers, guide, local guide, lunch, dinner, comfortable guesthouse.

Day 2: Team building

In the morning, we facilitate a challenging game fostering team spirit followed by some fun kayaking activities to explore around the forest on the water. There may be a possibility to participate in some tree planting as well. Overnight in a local guesthouse.

Inclusion: Guide, local guide, all meals, comfortable guesthouse.

Day 3: Local activities day

Transfer from the guesthouse to the village located inside the mangrove forest. Walk around the area meeting and talking with different households learning about their daily life. Lunch is served here at the homestay.

More afternoon local activities such as fishing or visiting the crocodile farm.

Inclusion: Guide, local guide, all meals, comfortable guesthouse.

Day 4: Activities to help

A Morning's visit to the orphanage, followed with a one hour clean-up. We focus on one small area, pitching in for a cleaner, safer environment. Lunch served locally then we drive back to your hotel by 4:00 PM.

Inclusion: Guide, local guide, breakfast, lunch
