

MANGROVE FOREST EXPERIENCE 4 DAYS

Routes: SaiGon

Duration: 4 Days / 3 Nights

Feature: Vietnam has a unique and diverse environment and this trip makes you to experience one of the most beautiful ones. The Mangrove forest is a great place to learn more about the diverse flora and fauna, and to experience farm-life and community activities. This tour is specifically designed for school groups / educational trips and a groups of people who love nature.

Tour type: Volunteer

Day 1: HCMC – Mangrove forest

It will be a 7:30 pick up at your hotel in Saigon. Reaching the mangrove forest in about 2.5 hours we will have a short introduction about its history and learn about the various types of flora and fauna of this beautiful environment. Walk around to learn more about how people live their life here in the mangroves.

Inclusion: Transfers, guide, local guide, lunch, dinner, comfortable guesthouse.

Day 2: Team building

In the morning, we will facilitate a challenging game fostering team spirit followed by some fun kayaking activities to explore around the forest on the water. There may be a possibility to participate in some tree planting as well. Overnight in a local guesthouse.

Inclusion: Guide, local guide, all meals, comfortable guesthouse.

Day 3: Local activities day

Transfer from the guesthouse to the village located inside the mangrove forest. Walk around the area meeting and talking with different households learning about their daily life. Lunch will be served here at the homestay.

More afternoon local activities such as fishing or visiting the crocodile farm.

Inclusion: Guide, local guide, all meals, comfortable guesthouse.

Day 4: Activities to help

A Morning's visit to the orphanage, followed with a one hour clean-up. We will focus on one small area, pitching in for a cleaner, safer environment. Lunch served locally then we drive back to your hotel by 16:00.

Inclusion: Guide, local guide, breakfast, lunch
